**Part III Statement of Program Service Accomplishments**

Check if Schedule O contains a response or note to any line in this Part III

1 Briefly describe the organization's mission:

Using the power of history to transform lives by preserving, sharing, and connecting. The Society preserves the evidence of the past and tells the stories of Minnesota's people. The Society provides opportunities for people of all ages to learn about the history of Minnesota, collects and cares for materials that document human life in Minnesota, makes them known and accessible to people in Minnesota and beyond, and encourages and executes research in Minnesota History.

2 Did the organization undertake any significant program services during the year which were not listed on the prior Form 990 or 990-EZ?  Yes  No  
If "Yes," describe these new services on Schedule O.

3 Did the organization cease conducting, or make significant changes in how it conducts, any program services?  Yes  No  
If "Yes," describe these changes on Schedule O.

4 Describe the organization's program service accomplishments for each of its three largest program services, as measured by expenses. Section 501(c)(3) and 501(c)(4) organizations are required to report the amount of grants and allocations to others, the total expenses, and revenue, if any, for each program service reported.

4a (Code: ) (Expenses \$ 12,438,870 including grants of \$ 0 ) (Revenue \$ 2,337,246 )

Historic Sites and Museums: Administers 26 historic sites and museums throughout the state for public benefit through public programs and tours. Despite the pandemic staffed interpretive experiences were still offered at Jeffers Petroglyphs, Split Rock Lighthouse, Oliver Kelley Farm, Lower Sioux Agency and the Minnesota History Center. Five other sites, including Lac Qui Parle and Marine Mill were accessible for self guided tours. Staff at locations that remained closed to the public worked on operations, programs and facilities issues. Despite the pandemic, MNHS managed capital projects at various locations, including Historic Forestville and Mill City Museum. Work also continued on the \$35M Fort Snelling revitalization project, an institutional effort, encompassing a total site transformation through public program and preservation of the National Historic Landmark. While MNHS took appropriate safety measures to protect staff and the public, we prepared to reopen most sites in the summer of 2021 on a four day schedule per week. The MNHS library also prepared to reopen on a limited basis for appointments during the summer of 2021. These were critical steps in reengaging the public.

4b (Code: ) (Expenses \$ 9,939,036 including grants of \$ 0 ) (Revenue \$ 1,976,497 )

Education, Outreach, and Content Development: Develops Minnesota history curriculum, provides teacher education and coordinates the Minnesota History Day program. Plans, fabricates and installs exhibits at Society interpretive facilities and museums throughout the state. Develops educational programming and outreach, including diversity and inclusion and Native American initiatives. Publishes books and other media related to Minnesota history. MNHS continues to be a leader in diversity and inclusion, engaging with traditionally underrepresented communities to ensure the diversity of Minnesota is reflected in all that we do, an example of which is having college fellows and interns being hosted by MNHS for career building opportunities. Native American Initiatives continued to work on building relationships and being an advocate for Native peoples across Minnesota and beyond. History Day continues to be a signature program for MNHS. In FY 21, even with the challenges of the pandemic, Minnesota's students participated in the program, in school, regional, state and national levels. The MNHS Press launched a major collaboration with the Mille Lacs Band of Ojibwe to publish Ojibwe stories. Our Exhibits department hosted the History Center's first permanent exhibit devoted to Native American Content. Due to the Covid-19 pandemic much of our on-site 2021 school  
(Continued on Schedule O, Statement 1)

4c (Code: ) (Expenses \$ 9,553,773 including grants of \$ 0 ) (Revenue \$ 1,418,009 )

Library and Collections: Maintains and makes available to the public the MNHS' collection of books, newspapers, maps, objects, photographs, works of art, oral history recordings, private manuscripts and periodicals on Minnesota history; and catalogs, restores and digitizes documents and records to make them available for public use. This program includes the acquisition, preservation and cataloging of public records, as well as the Society's responsibilities as State Archivist. Conducts historic and archaeological surveys, as required by law. Program accomplishments are often measured by public usage. In FY 2021 the Gale Family Library was on pace to serve as many clients as previous years, but was forced to close to the public due to the Covid-19 pandemic. Our collections continued to grow in FY 21, with the addition of more oral histories and over 1,500 new artifacts. The Archaeology program continues to perform services for the State of MN Department of Natural Resources as well as other surveys as required. As indicated above, the library prepared to reopen for appointments on a limited basis in the summer of 2021.

**Part IV Supplemental Information**

Provide the descriptions required for Part I-A, line 1; Part I-B, line 4; Part I-C, line 5; Part II-A (affiliated group list); Part II-A, lines 1 and 2 (See instructions); and Part II-B, line 1. Also, complete this part for any additional information.

Schedule C, Part II-B, Line 1 - The MNHS receives a majority of its funding from the State of Minnesota. As a result there are activities that are performed that may be construed as lobbying activities. The MNHS maintains a presence on the world wide web. Included on our website is a webpage dedicated to legislative updates, the status of our appropriations, and at times a call to members and the public to contact their local legislators in support of MNHS' appropriations a/o pending legislation. Our website includes a program that allows the public to search and directly contact their representatives and other state leaders. In FY 21 MNHS spent \$5,000, as reported in Part II-B, Line 1(i) on programs to contact legislators. In addition, the MNHS employs a Director of Public Policy and Government Relations whose primary function is to act in an administrative capacity in providing budgetary information to the State of Minnesota and to act as a legislative liaison as needed. At times this position may have direct contact with members of the legislative body or the public in a manner such that the activity could be construed as lobbying. MNHS has employed a lobbying firm to represent MNHS at the Minnesota State Legislature to help advance specific legislation. Lobbying activities represent an insignificant amount of MNHS' annual operating expenditures. Of the total listed in Part II B, line 1(g), \$50,000 represents fees paid to an outside lobbying firm to act on our behalf for specific legislation.

**Part XIII Supplemental Information.**

Provide the descriptions required for Part II, lines 3, 5, and 9; Part III, lines 1a and 4; Part IV, lines 1b and 2b; Part V, line 4; Part X, line 2; Part XI, lines 2d and 4b; and Part XII, lines 2d and 4b. Also complete this part to provide any additional information.

Schedule D, Part II, Line 9 - The reporting of conservation easements by the MNHS relates to actions MNHS undertakes with respect to properties that MNHS monitors under a joint powers agreement with the State of Minnesota's State Historic Preservation Office. The MNHS undertakes such efforts with the following two categories of properties: 1) those transferred by the MNHS or another State of Minnesota agency to a third party (not itself, the state or state agency) subject to a restriction enforceable by the State of Minnesota's Historic Preservation Office that the property will retain and have ensured its long-term historic preservation as a National Register property; 2) those owned by an entity who has received federal grant funding in favor of improvements on the property subject to the requirements that a conservation easement be granted to the State Historic Preservation Office (for a specified time period) as a condition of such federal grant funding. These easements are not recorded in the revenue and expense statement or on the balance sheet or in the audited financial statement's footnotes due to the fact that MNHS does not have a financial interest in these properties. In both of the above categories, MNHS undertakes and conducts a monitoring role to ensure the continued preservation of the property's historical significance and character. At the end of the fiscal year 2018 the State Historic Preservation Office was officially transferred from the MNHS to the State of Minnesota.

Schedule D, Part III, Line 1 - The Society's collection of artifacts, documents, newspapers, pictures, paintings, tapes, and books is not capitalized because donated values are not readily determinable. Items purchased for the collection are expensed as acquired.

Schedule D, Part III, Line 4 - The Society's collection of artifacts, historic sites, documents, newspapers, pictures, paintings, tapes and books preserve the evidence of Minnesota's past. The collections support the work of MNHS' public programs and provide value to people interested in their history.

Schedule D, Part V, Line 4 - The endowment funds of the MNHS support the institution's mission by providing support for public programs, care and operations of our historic sites, research, collections and general operations. The Society's endowment consists of approximately 172 individual funds established for a variety of purposes including both donor-restricted endowment funds and funds designated by the Board of Trustees to function as endowments. Net assets associated with endowment funds, including funds designated by the Board of Trustees to function as endowments, are classified and reported based on the existence or absence of donor imposed restrictions.

**Part XIII - Supplemental Information (Continued)**

Schedule D, Part X, Line 2 - The Society engages in activities that are considered as unrelated to its exempt purpose and these activities are subject to federal and state income taxes. For the fiscal year ended June 30, 2021, the Society estimated a loss for its unrelated business income taxes and, accordingly, has made no provision for the taxes.

Schedule D, Part XI, Line 2d - Cost of goods sold expense as reported in Part VIII, line 10b.

Schedule D, Part XII, Line 2d - Cost of goods sold expense as reported in Part VIII, line 10b.

The grant awards are monitored by and submitted to, upon completion, the Grants Office. The Grants Office will require and review the final project and financial reports to ensure that all federal, state and local requirements are met, as well as all of the conditions of the initial and or amended Grant Agreement. In addition, the Finance Department may perform a review of expenditures to verify allowability. The Grants Office must review and sign off on the project before any funds are disbursed.

Form 990, Part VI, Section B, Line 11b - The annual tax return, IRS Form 990, is prepared internally by MNHS' Finance Department. The 990 goes through an extended internal review process within the Finance Department and depending on any concerns or emerging issues, the 990 may also go through an in-depth review by an independant tax consultant. Once these reviews are completed the 990 is presented to MNHS' joint Finance and Audit Committee for their review and approval. Once approved by the Audit and Finance committee the 990 is submitted to the MNHS' Executive Council/Committee for final review, discussion and approval. Upon final approval by the Executive Council/Committee, the 990 is electronically filed with the IRS.

Form 990, Part VI, Section B, Line 12c - All Board Members and Officers are subject to a conflict of interest policy which sets out that transactions, in which they may have a material interest are to be undertaken (if at all) only after disclosure of the conflict, notice in full to the Board of the contemplated transaction along with the nature of the conflict, and requiring action in favor of the transaction to be effected by the majority of the entirety of the Board not including the member(s) whose interest is involved. The office of the Director & CEO is responsible for maintaining and monitoring that a new Board member(s) submit a statement of acknowledgement that they will comply in full with MNHS' code of conduct, which includes the institution's conflict of interest policy. The office of the Director & CEO performs this review annually.

Form 990, Part VI, Section C, Line 19 - MNHS' audited financial statements and annual reports are available to the public via our website or upon request. Governing documents and conflict of interest policy are available to the public upon request.

**Description**

programming had to be cancelled. We continued to engage fifth and sixth grade students digitally through the Northern Lights curriculum and the institution conducted virtual educational programming to our members and the public. MNHS continued to shift our educational programming to hybrid format - offering limited in person programs with a virtual option. This shift has enabled us to serve a much broader audience during the pandemic and will be an ongoing focus area for educational programs.
